

Test Description	Code	Fee	Schedule	Estimated Turnaround Time <sup>1</sup>
Antibiotic susceptibility minimum inhibitory concentration (MIC) - Charge per organism	AQ001	\$30.00	M-F	48-72 h
Antibiotic susceptibility disk diffusion (DD) - Charge per organism	AQ002	\$20.00	M-F	48-72hr
Bacterial identification (MALDI)	AQ003	\$50.00	M-F	24-48hr
Bacterial identification (API)	AQ004	\$30.00	M-F	24-48hr
Clinical exam with anesthesia	AQ005	\$100.00	M-F	2hr
Farm certification complete (bacteria and viruses)	AQ006	\$1,000.00	M-F	1-3 wk
Farm Certification (bacteria only)	AQ007	\$400.00	M-F	1 wk
Lot Certification 60 fish (bacteria & viruses)	AQ008	\$465.00	M-F	1 wk
Lot Certification 60 fish (viruses)	AQ009	\$240.00	M-F	1 wk
Lot Certification 10-30 fish (bacteria and viruses)	AQ010	\$120.00	M-F	1 wk
Necropsy with bacteriology & parasitology	AQ019	100	M-F	24-48 hr
Necropsy with parasitology	AQ012	\$35.00	M-F	1 hr
Necropsy with bacteriology	AQ013	\$70.00	M-F	24-48 hr
Necropsy with bacteriology & histology	AQ014	\$108.00 <sup>1,2</sup>	M-F	3-7 business days
Necropsy with bacteriology, virology & histology	AQ015	\$148.00 <sup>1,2</sup>	M-F	3-7 business days
Preparation and collection of samples for molecular testing <sup>3</sup>	AQ016	\$20.00	M-F	1 hr
Miscellaneous fees	AQ011	Varies	NA	NA
Test cancellation fee	AQ017	\$17.00	NA	NA
Water quality analysis	AQ018	\$20.00	M-F	1 hr

<sup>1</sup>Fee includes 3 histology slides. Additional slides will be charged \$13 each.

<sup>2</sup>Additional fee for reading slides by a pathologist (see histopathology fee schedule)

<sup>3</sup>Specific PCR identification of fish pathogens (bacteria and viruses). refer to molecular diagnostic section fee schedule. Additional test fees will apply.
