

LADDL

Louisiana Animal Disease Diagnostic Laboratory

NECROPSY FEE SCHEDULE 225-578-9777

Please Note: The listed fee is the price charged to the veterinarian for LADDL's diagnostic test. Clients of veterinarians should expect their final cost to be higher to compensate for professional input, such as specimen collection and preparation, shipping and handling, interpretation of test results and incorporation of those results into a treatment plan.

Test Description	Code	Fee ^{1,2}	Schedule ⁶	Estimated Turnaround Time
COMPANION AND FARM ANIMALS				
Aborted fetus (Equine)	NAF001	\$110.00	M-Sat	Preliminary report 12-24 hours, and final report 7-14 days (5-10 working days)
Aborted fetus (Large farm & production animals [bovine])	NAF002	\$77.00	M-Sat	Preliminary report 12-24 hours, and final report 7-14 days (5-10 working days)
Aborted fetuses companion animals (canine and feline) and small farm & production animals (caprine, ovine and porcine) - up to 3 fetuses. Extra \$100.00 will be charged for additional fetus/fetuses	NAF003	\$110.00	M-Sat	Preliminary report 12-24 hours, and final report 7-14 days (5-10 working days)
Aborted fetuses (other animal species including exotics)	NAF004	\$143.00	M-Sat	Preliminary report 12-24 hours, and final report 7-14 days (5-10 working days)
Avian (cockatiel, love birds or smaller aviary birds)	NAV005	\$121.00	M-Sat	Preliminary report 12-24 hours, and final report 7-14 days (5-10 working days)
Avian (larger aviary birds)	NAV006	\$187.00	M-Sat	Preliminary report 12-24 hours, and final report 7-14 days (5-10 working days)
Companion animals (canine, feline & rabbits) up to 50 lbs	NCA007	\$198.00	M-Sat	Preliminary report 12-24 hours, and final report 7-14 days (5-10 working days)
Companion animals (canine) >51 lbs	NCA008	\$231.00	M-Sat	Preliminary report 12-24 hours, and final report 7-14 days (5-10 working days)
Equine foals up to 200 lbs	NEQ009	\$242.00	M-Sat	Preliminary report 12-24 hours, and final report 7-14 days (5-10 working days)
Equine Adult	NEQ010	\$412.00	M-Sat	Preliminary report 12-24 hours, and final report 7-14 days (5-10 working days)
Equine - gross routine exam and disposal. <i>No tissue collected for histology and no ancillary testing.</i>	NEQ011	\$250.00	M-Sat	Preliminary report 12-24 hours, and final report 7-14 days (5-10 working days)
Food & production animals <200 lbs (bovine, caprine, ovine and porcine)	NFA012	\$137.00	M-Sat	Preliminary report 12-24 hours, and final report 7-14 days (5-10 working days)
Food & production animals 201 – 2000 lbs (bovine, caprine, ovine and porcine)	NFA013	\$170.00	M-Sat	Preliminary report 12-24 hours, and final report 7-14 days (5-10 working days)

Current as of 09/26/2022. Fees are subject to change. Call 225-578-9777 for questions.

Food & production animals over 2000 lbs (e.g., bovine) <i>Additional fees for disposal may be applied based on the weight.</i>	NFA014	\$550.00	M-Sat	Preliminary report 12-24 hours, and final report 7-14 days (5-10 working days)
Poultry backyard and commercial (Chicken, ducks, turkeys, quail, geese, guinea, etc., (first bird). Two ancillary tests or two special stains are included, with additional fee for extra tests/stains.	NP015	\$55.00	M-Sat	Preliminary report 12-24 hours, and final report 7-14 days (5-10 working days)
Poultry backyard and commercial (Chicken, ducks, turkeys, quail, geese, guinea, etc.). Flock, up to 3 birds and pooled sampling for ancillary testing. Two ancillary tests or two special stains are included, with additional fee for extra tests/stains.	NP016	\$82.00	M-Sat	Preliminary report 12-24 hours, and final report 7-14 days (5-10 working days)
Poultry backyard and commercial (Chicken, ducks, turkeys, quail, geese, guinea, etc.). Flock, up to 4-6 birds and pooled sampling for ancillary testing and histology. Two ancillary tests or two special stains are included, with additional fee for extra tests/stains.	NP017	\$110.00	M-Sat	Preliminary report 12-24 hours, and final report 7-14 days (5-10 working days)
Small mammals (pocket pets, mice, rats, other rodents and other small mammals)	NPT018	\$100.00	M-Sat	Preliminary report 12-24 hours, and final report 7-14 days (5-10 working days)
WILDLIFE, AMPHIBIANS, LIZARDS, REPTILES AND ZOO ANIMALS				
Deer and exotic ruminants <25 lbs (cervid, caprine, exotic, and ovine)	ND019	\$192.00	M-Sat	Preliminary report 12-24 hours, and final report 7-14 days (5-10 working days)
Deer and exotic ruminants >25 lbs (cervid, caprine, exotic, and ovine)	ND020	\$275.00	M-Sat	Preliminary report 12-24 hours, and final report 7-14 days (5-10 working days)
Deer or other cervid heads submitted for sample collection for CWD (includes disposal)	ND021	\$44.00	M-Sat	Preliminary report 12-24 hours, and final report 7-14 days (5-10 working days)
Deer (entire animal) or other cervids submitted for sample collection for CWD (includes disposal)	ND022	\$66.00	M-Sat	Preliminary report 12-24 hours, and final report 7-14 days (5-10 working days)
Alligator (one animal per submission)	NAG023	\$220.00	M-Sat	Preliminary report 12-24 hours, and final report 7-14 days (5-10 working days)
Alligators for health surveillance (per pool; up to three animals per pool) - includes histopathology on pooled samples ³	NAG024	\$440.00	M-Sat	Preliminary report 12-24 hours, and final report 7-14 days (5-10 working days)
Alligators for health surveillance (when gross lesions are observed, per alligator) - includes histopathology on each ³	NAG025	\$137.00	M-Sat	Preliminary report 12-24 hours, and final report 7-14 days (5-10 working days)
Alligators for health surveillance (gross out, no gross lesions observed and no histopathology performed, per alligator). Molecular testing charged separately ³	NAG026	\$55.00	M-Sat	Preliminary report 12-24 hours, and final report 7-14 days (5-10 working days)
Amphibians, small reptiles, and lizards (e.g., gecko) - one animal per submission	NAR027	\$121.00	M-Sat	Preliminary report 12-24 hours, and final report 7-14 days (5-10 working days)
Amphibians, small reptiles, and lizards (e.g., gecko) - up to 3 animals/submission	NAR028	\$143.00	M-Sat	Preliminary report 12-24 hours, and final report 7-14 days (5-10 working days)
Amphibians, small reptiles, and lizards (e.g., gecko) - 4-7 animals/submission	NAR029	\$242.00	M-Sat	Preliminary report 12-24 hours, and final report 7-14 days (5-10 working days)

Current as of 09/26/2022. Fees are subject to change. Call 225-578-9777 for questions.

Larger reptiles other than alligators (e.g., snakes, turtles, tortoises, etc.) - one animal per submission	NAR030	\$165.00	M-Sat	Preliminary report 12-24 hours, and final report 7-14 days (5-10 working days)
Zoo and small exotic animals <15 lbs	NZ031	\$143.00	M-Sat	Preliminary report 12-24 hours, and final report 7-14 days (5-10 working days)
Zoo and exotic animals 16-50 lbs	NZ032	\$198.00	M-Sat	Preliminary report 12-24 hours, and final report 7-14 days (5-10 working days)
Zoo and exotic animals 51-500 lbs	NZ033	\$231.00	M-Sat	Preliminary report 12-24 hours, and final report 7-14 days (5-10 working days)
Zoo and exotic animals 501-1,000 lbs	NZ035	\$460.00	M-Sat	Preliminary report 12-24 hours, and final report 7-14 days (5-10 working days)
Zoo and exotic animals 1,001 - 2,500 lbs (e.g., giraffe, camelid, etc.). <i>Additional fees for disposal may be applied based on the weight</i>	NZ034	\$1,100.00	M-Sat	Preliminary report 12-24 hours, and final report 7-14 days (5-10 working days)
Zoo and exotic animals over 2,500 lbs (e.g., elephant, rhino, adult giraffe, etc.). <i>Additional fees for disposal may be applied based on the weight</i>	NZ036	\$2,000.00	M-Sat	Preliminary report 12-24 hours, and final report 7-14 days (5-10 working days)
<u>NECROPSY SERVICES</u>				
Special requests for gross tissue examination by pathologists prior to histopathology processing	NS035	\$27.00	M-Sat	Preliminary report 12-24 hours, and final report 7-14 days (5-10 working days)
Insurance fee. (This an additional fee over the standard necropsy fees)	NS036	\$110.00	NA	NA
Field necropsy, fresh tissues submitted to LADDL to be examined by the pathologist and process for histopathology. Note: Additional ancillary charges will be added to the fee	NS037	\$165.00	M-F	Preliminary report 12-24 hours, and final report 7-14 days (5-10 working days)
Field necropsy fee (pathologist and resident(s) will travel to the farm or zoo to perform the necropsy) - milage will be charged separately (\$1.00/mile). Additional charges will be added (i.e., standard necropsy and ancillary testing fees)	NS038	\$900.00	M-F	Preliminary report 12-24 hours, and final report 7-14 days (5-10 working days)
Forensic necropsy - Legal action/lawsuit pending (e.g., allegations of animal neglect, abuse, or cruelty). This is an additional fee over the standard necropsy fees	NS039	\$250.00	M-F	Preliminary report 12-24 hours, and final report 7-14 days (5-10 working days)
Head submissions for whole brain examination ^{1,2,3}	NS049	\$150.00	M-F	Preliminary report 12-24 hours, and final report 7-14 days (5-10 working days)
Removal of the brain from rabies suspect companion animals, and food and other animals <200 lbs	NS040	\$20.00	M-Sat	Preliminary report 12-24 hours, and final report 7-14 days (5-10 working days)
Removal of the brain from rabies suspect equine, food animals and other animals >200 lbs (If rabies positive, appropriate disposal fees will be added. If negative, other appropriate necropsy charges will be added)	NS041	\$30.00	M-Sat	Preliminary report 12-24 hours, and final report 7-14 days (5-10 working days)
Removal of the spinal cord from companion animals (canine and feline), and food and other animals <200 lbs. This is an additional fee over the necropsy fee.	NS042	\$75.00	M-Sat	Preliminary report 12-24 hours, and final report 7-14 days (5-10 working days)

Current as of 09/26/2022. Fees are subject to change. Call 225-578-9777 for questions.

Removal of the spinal cord from equine, food animals and other animals >200 lbs. This is an additional fee over the necropsy fee.	NS043	\$150.00	M-Sat	Preliminary report 12-24 hours, and final report 7-14 days (5-10 working days)
Use of the necropsy laboratory space for research and teaching demonstrations: avian, poultry, and companion animals (dogs and cats). Reservation required for 1-4 hrs (preferably in the morning) ⁴	NS044	\$25.00	M-Sun	NA
Use of the necropsy laboratory space for research and teaching demonstrations: Food and other animals <200 lbs. Reservation required for 1-4 hrs (preferably in the morning) ⁴	NS045	\$50.00	M-Sun	NA
Use of the necropsy laboratory space for research and teaching demonstrations: Equine, food and other animals >200 lbs. Reservation required for 1-4 hrs (preferably in the morning) ⁴	NS046	\$100.00	M-Sun	NA
Necropsy cancellation fee	NS047	\$17.00	NA	NA
Miscellaneous fees	NS048	\$1.00- \$1000.00	NA	NA

CREMATIONS⁵

Private cremation <2lbs.	NPC049	\$99.00	M-Sun	7-14 days
Private cremation 2-25 lbs.	NPC050	\$182.00	M-Sun	7-14 days
Private cremation 26-50 lbs.	NPC051	\$220.00	M-Sun	7-14 days
Private cremation 51-75 lbs.	NPC052	\$247.00	M-Sun	7-14 days
Private cremation 76-100 lbs.	NPC053	\$275.00	M-Sun	7-14 days
Private cremation 101-150 lbs.	NPC054	\$308.00	M-Sun	7-14 days
Private cremations 150 lbs. to 500 lbs (include equine foals under 500lbs)	NPC055	\$450.00	M-Sun	7-14 days
Private cremation; equine head, heart, hoofs (3H)	NPC056	\$500.00	M-Sun	7-14 days
Private cremation; equine and cattle (Adult and Foals over 500LBS)	NPC057	\$1,500.00	M-Sun	7-14 days
Representative cremation (small animals)	NPC058	\$80.00	M-Sun	7-14 days
Representative cremation (equine and cattle)	NPC059	\$350.00	M-Sun	7-14 days
Paw print only (clay)	NPC060	\$22.00	M-Sun	7-14 days
Nose print only (clay)	NPC061	\$22.00	M-Sun	7-14 days
Paw print & nose print	NPC062	\$40.00	M-Sun	7-14 days
Urn - special designs for small animals and horses (extra fee)	NPU061	\$25.00- \$150.00	M-Sun	7-14 days

GENERAL CREMATION OR DISPOSAL (NO CREMAINS ARE RETURNED)

Up to 10 lbs.	NGC062	\$25.00	M-Sun	NA
11-100 lbs.	NGC063	\$50.00	M-Sun	NA
101 lbs. to 500 lbs.	NGC064	\$100.00	M-Sun	NA
501 lbs. to 1000 lbs.	NGC065	\$200.00	M-Sun	NA
1001 lbs. to 2000 lbs.	NGC066	\$300.00	M-Sun	NA
Over 2001 lbs. to 2500 lbs.	NGC067	\$500.00	M-Sun	NA

Current as of 09/26/2022. Fees are subject to change. Call 225-578-9777 for questions.

Zoo and exotic animals over 2,500 lbs (e.g., elephant, rhino, adult giraffe, etc.).	NGC068	\$1,000.00	M-Sun	NA
¹ Ancillary tests may be charged separately to the client or SVM teaching account				
² Special stains and IHC are charged separately to the outside client or SVM teaching account				
³ Molecular testing fees will be charged separately				
⁴ Complete form BUS-FRM-113 Necropsy Lab Reservation Request and submit to LADDL receiving and accessioning office at least 72 hours before the intended date of use. Individuals using the lab are responsible for cleaning the lab after use and placing the remains in the holding area for disposal. Note: Additional animal disposal charges will be applied based on the weight.				
⁵ The cremation fees include cremation, processing of cremains, standard urns, packaging, and shipping. For safety concerns, no items other than cremains will be returned, including horseshoes, hair, and collars. Please remove such items prior to submission .				
⁶ After hours and weekend: deceased animals are received at the SVM-VTH
